Pancake Breakfast - Dave
Volunteers are needed for two different shifts, 6 am to 9 am and 9 am to 12 pm. Sign up online for one or both. Volunteers are needed for cooking, serving and clean up. You can sign up at www.tecparents.org. Also, if anyone knows of businesses willing to donate money or gift cards, it would be very helpful and appreciated; let Dave or Angie know.

Box Tops - Paul
There is a Box Tops app to now scan instead of clipping them from boxes. The “How-to” for scanning a receipt will be put on the website. There are still box tops to clip until they are phased out. The next collection is at the end of November. Send box tops to school with your kids and there is a collection box in Mr. Nissen’s room.

Chuck-a-Puck Fundraiser - Paul
We will be selling chuck-a-pucks at the February 16, 2020 Walleye Game. We get 75% of the profits for it. We will need to sell at least 125 tickets to the game and they will be seated all in one area so that our group will be together. More information will be forthcoming.

BW3 Restaurant Night Fundraiser - Paul
On November 13, 2019 at the Central Avenue BW3 location, our group will again have the separate room to meet in for restaurant night. There will be a paper flyer or mobile flyer to present when ordering and we receive 15% of food sales.

Kroger Rewards and Amazon Smiles - Paul
You must choose our organization for us to receive the Kroger rewards and you must do so each year.

Only certain merchandise is deemed Amazon Smiles eligible, but it still helps.

Principal News - Mrs. Berman
ESchool Portal
Eschool portal is being established. It is important to be able to see your high school student’s official attendance, grades, and more.

School nurse emails
Please be sure to read the emails from the school nurse due to immunizations not being up to date and she is letting parents know.

School App
Please get the app if you have not already. You can also select which grade level to receive notification for and limit unnecessary communications.

A.L.I.C.E. Drill
Twenty local emergency responders have been planning the drill since June and it will Tuesday, September 10th. If your student is asked to participate in role-playing a permission slip will be sent home.

Carpool App
All of the emails go to Mrs. Berman so please be patient while she works to set up the best carpool situations for the requesters.
